2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* (“Rules”), the *Call for the 2024 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of State, the state election code, and this Delegate Selection Plan. *(Call II.A)*
3. Following the state Party Committee’s adoption of this Delegate Selection Plan, the state Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The state Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the state Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the state Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

B. Description of Delegate Selection Process

C. Voter Participation

1. Participation in Arizona's delegate selection process is open to all voters who wish to participate as Democrats. (*Rule 2.A and Rule 2.C.*)
 - a. The deadline to register to vote/participate in the first step of the delegate selection process is February 20, 2024;
 - b. An overview of the state's voter registration, enrollment procedures, and/or declaration process including:
 - (1) Democrats are determined as all those registered on the voter checklist as Democrats or those registered on the voter checklist as Democrats with the Secretary of State as of February 20, 2024 at 5 PM (ARS 16-120) .
 - (2) Voters who are not Registered as Democrats are not eligible to participate in the Arizona Presidential Preference for the Democratic nominee; (Rule 2.A & Reg. 4.3.B)
 - c. Arizona law ARS 16-121 states that a qualified elector must be at least eighteen years of age on or before the date of the election. While seventeen year olds who will turn eighteen by the November general election, will not be able to vote in the Presidential Preference Primary, we will be conducting voter registration which is permitted, promoting political participation on social media, reaching out to high school seniors and recruiting youth to volunteer in presidential campaigns and the party. (*Reg. 4.3.C*)
 - d. At no stage of Arizona's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (*Rule 2.D & Reg. 4.4*)
 - e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (*Rule 2.E*)
 - f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all

Arizona 2024 Delegate Selection Plan

individual voters who wish to participate as Democrats are eligible to do so. (Rule 2.F)

- g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. (Rule 3.E & Reg. 4.7)
2. Arizona is participating in the Arizona state-run presidential preference primary that will utilize state-run voting systems. Arizona Elections, including the Presidential Preference Election, are run at the county level by county election administrators overseen by the county Board of Supervisors and the Secretary of State. In 2022, we utilized the Election Integrity Committee and a Voter Protection Team to maintain relationships with the election officials who implemented and executed all election protocol. In 2023 and early 2024, we are committed to maintaining these relationships and advocating for positive steps forward to secure, fair, and open elections. The Arizona Democratic Party has taken (or will take) provable positive steps to:
- a. Work with our newly elected Secretary of State to maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; (Rule 2.H.1)
 - b. Work with Secretary of State to ensure transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; (Rule 2.H.2)
 - *The Arizona Democratic Party receives regular voter file updates from the counties in order to assess both updates to the voter registration rolls and updates to the active early voting list and analyzes this data from month to month to ensure there are no unexplained irregularities. In 2022 and going forward, Voter Protection staff have and will maintain relationships with county election officials to gain additional transparency on list maintenance efforts. In 2022, outreach was completed to voters on the inactive voter registration list.*
 - c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; (Rule 2.H.3)
 - *The Arizona Democratic Party sent a representative to attend and observe Logic and Accuracy Testing of Voting Equipment in the 2022 Election Cycle prior to the primary and general elections. Additionally, we have attended meetings at the Secretary of State's Office to observe updates to voting systems ahead of the 2023 elections. We will continue to do so in preparation for the 2024 Presidential Preference Election and the following primary and general election.*

- d. Ensure that any direct recording electronic systems in place have a voter verified paper record; *(Rule 2.H.4)*
 - *The Arizona Democratic Party has observed and utilized electronic voting systems including Accessible Voting Devices to confirm the use of verified paper records. During the upcoming election cycles including the Presidential Preference Election, our Voter Protection Team will run a hotline and utilize poll observers to flag any instances of electronic systems not depositing a verified paper record.*

- e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; *(Rule 2.H.5)*
 - *The Arizona Democratic Party worked closely with the partners at the national level as well as legal partners to ensure that post election audits were limited to what was required by law.*

- f. Ensure that all voting systems have recognized security measures; *(Rule 2.H.6)*
 - *The Arizona Democratic Party has utilized poll observers and volunteer count observers to witness the process of voting and counting ballots. Through this observation and reporting, we are able to identify any instances of security issues with voting systems. The Party will continue to communicate with the Secretary of State and the County Election Officials to ensure clear and secure guidelines and implementation of all voting systems.*

- g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately, with votes verifiable by voters; *(Rule 2.H.7)*
 - *Arizona Counties are required to provide at all voting locations at least one accessible voting machine to assist individuals with disabilities. In order to ensure that this statute is followed, the Arizona Democratic Party will utilize our Voter Assistance Hotline and Poll Observers to ensure that this rule is followed and flag any instances of inaccessibility to the county election officials and Secretary of State.*

- h. Provide educational materials to enhance public knowledge and confidence in election administration and counter disinformation; *(Rule 2.H.8)*
 - *The Arizona Democratic Party is committed to voter education and countering disinformation through various channels of the state party. In 2022, we utilized our political team, digital team, voter protection team, organizing team, and operations team to coordinate on voter education materials including literature, mailers, online ads, television ads, and direct voter contact. The Arizona Democratic Party will continue to work closely with election administration to provide clear and accurate information about voting with staff, volunteers, and voters.*

Arizona 2024 Delegate Selection Plan

- i. Actively engaging with state and local officials to implement fair and honest election policies and practices; and (Rule 2.H.9)
 - *The Arizona Democratic Party is committed to consistent and continuous conversations with state and local election officials with the goal of both fair and honest elections, and expanding voter access in the future. In 2022, we successfully pushed for expanded voting locations for student voters during the early vote period. In 2023 and 2024, we plan to continue open communication with county and state leaders to promote transparency and advocate for expanded voter access.*
 - j. Support adequate funding for state and local election administration. (Rule 2.H.10)
 - *The Arizona Democratic Party has utilized open communication to check on the budget and status of county level election administration. This information is shared with partners at the state and national level to ensure adequate funding for current and future election cycles by county.*
3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, The Arizona Democratic Party has historically used a volunteer Election Integrity Committee to assure integrity and transparency in all of Arizona's state run election processes. In 2022, we hired a Voter Protection Director to oversee a larger than ever program in a midterm election, using this committee as a volunteer base and built out from there. We are committed to hiring a full-time, in-house Voter Protection Director and Deputy in 2023 to lead these efforts again. The Arizona Democratic Party led by our Voter Protection Director will work with our Election Integrity Committee and our Secretary of State and County Elections Departments to make sure we are taking steps to *(Rule 2.I and 2.I.1)*
- a. Expand access to voting, including by mail, with our Active Early Voting List (AEVL). Ballots are mailed on February 21, 2024, and early voting locations open in all 15 counties. The deadline to request an early ballot for the Presidential Preference Election is Friday, March 8, 2024. The counties typically expand the hours and number of locations for their early in-person voting centers. *(Rule 2.I.1.a)*
 - b. Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; *(Rule 2.I.1.b)*
 - *The Arizona Democratic Party has coordinated with county election officials in advance of both primary and general elections to acquire and assess voting locations in each county. In 2022, we analyzed vote locations in our largest counties by Democratic voter targets to ensure accessibility. The Arizona Democratic Party plans to continue communication with election officials to both obtain vote location*

information and advocate for expanded access, especially for student and Tribal voters.

- c. Speed up the voting process and minimize long lines; *(Rule 2.1.1.c)*

We will continue to register voters to our active early voting list and organize our get out the vote efforts around ballot by mail returns. In 2024, the Arizona Democratic Party will message and organize around early vote planning to minimize long lines and encourage active and early participation. Additionally, our Voter Protection Team will identify voting locations with lines using poll observers on Election Day.*
 - d. Eliminate onerous and discriminatory voter identification requirements; *(Rule 2.1.1.d)*
 - *The Arizona Democratic Party is committed to communicating voter identification requirements effectively and holding counties responsible for enforcing these rules correctly. Additionally, we are committed to working with the Secretary of State and state representatives to limit additional voter identification regulations from passing into law.*
 - e. Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; and *(Rule 2.1.1.e)*
 - *The Arizona Democratic Party has supported Arizona counties' transition away from precinct based voting to ensure voters can cast their ballots easily and ensure that their votes are counted. We will continue to work with county election officials in counties with precinct based voting to promote vote center based voting.*
 - f. Facilitate military and overseas voting. *(Rule 2. 1.1.f)*
 - *The Arizona Democratic Party has and will continue to obtain records of UOCAVA (military and overseas) voters to analyze and target. The Voter Protection Team will hold election officials accountable for the advanced delivery of ballots ahead of all elections. Additionally, we will provide information for Arizona voters seeking to vote outside of the country with the pathway to register as a UOCAVA voter.*
4. As part of encouraging participation in the delegate selection process by registered voters, The Arizona Democratic Party has and is committed to making a priority to expand the Democratic electorate by registering new voters, encouraging no party preference voters to become Democrats and signing up voters to receive ballots in the mail. The Arizona Democratic Party has and will continue to work with the Secretary of State, elected Democrats in the legislature and statewide, as well as local election officials to expand access to the ballot and propose legislation to make

5. The Arizona Democratic Party has and will continue to work with our Secretary of State and Legislative Leaders to ensure an open and inclusive process to make sure the Presidential Preference election is fair and open. We will push for state laws that allow Independents to vote in primaries and if that is not achievable push for party switching up until the deadline to register to vote. We will also continue to work with our Voter Protection team and Election Integrity Committee to assure integrity and transparency in all of Arizona’s state run election processes. *(Rule 2.J and Rule 2.J.1)*

D. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state’s delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. The state party is responsible for selecting the dates and times and locating and confirming the availability of publicly accessible facilities for all official meetings and events related to this process. In addition, the scheduling of meetings shall consider any religious observations that could significantly affect participation. *(Rule 3.A & Reg. 4.)*

k. The ADP will use best efforts to publicize both the Caucuses and the process to become voting precinct committee persons.

3. Apportionment of District-Level Delegates and Alternates

a. Arizona’s district-level delegates are apportioned among the districts based on a formula giving ***equal weight to the vote for the Democratic candidates in the 2020 presidential and 2022 gubernatorial elections.*** (Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A)

This formula option was used because the state is organized into nine (9) congressional districts, and Arizona precincts and local districts for the 2020 presidential and 2022 gubernatorial election were organized and election results were reported within the framework of the nine (9) congressional districts.

- (1) The Arizona Democratic Party used data acquired from the Arizona Secretary of State and county recorders to determine the aforementioned figures.
- (2) Joe Biden’s results from 2020 were utilized, as well as the 2022 gubernatorial election. The results were first broken down by Congressional District and then compared to the overall statewide results.
- (3) The Arizona Democratic Party calculated the Democratic vote by congressional district, by dividing the 2020 presidential results (by CD) by the statewide Democratic presidential vote in 2020. We then calculated the 2022 gubernatorial vote results (by CD) , by the statewide gubernatorial Democratic vote in 2022. Finally, we divided by two to arrive at the allocation factor for each congressional district.
- (4) The following table indicates the figures that were used:

Districts	Formula	/2	x DL (47)	Allotment
CD 1	0.28572	0.14286	6.7145	7
CD 2	0.22501	0.11251	5.2878	5

Arizona 2024 Delegate Selection Plan

6. Fair Reflection of Presidential Preference

- a. Presidential Primary - Proportional Representation Plan *(Rule 14.A, Rule 14.B & Rule 14.D)*

The Arizona presidential primary election is a "binding" primary. Accordingly, delegate positions shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each district. The National Convention delegates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates.

Arizona 2024 Delegate Selection Plan

- b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. *(Rule 14.F)*

Arizona 2024 Delegate Selection Plan

7. Equal Division of District-Level Delegates
 - a. To ensure the district-level binary-gendered delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. (*Rule 6.C., Rule 6.C.1 & Reg. 4.10*)
 - b. The delegate positions shall be pre-designated so that the gender of the first position to be filled by the winning presidential candidate is predetermined. Once the allocation of district delegates among presidential preference(s) has been calculated, the remaining delegate positions can be assigned to the presidential preference(s), in order of vote won, alternating by gender.
8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates to the Democratic National Convention within ten (10) days after their election. (*Rule 8.C & Call IV.A*)

If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. *(Call VII.C.2)*
 - c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. *(Call VII.C.3)*
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a male identifying person, and the next binary position, if one occurs, will be designated for a female identifying person, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to people who identify as non-binary but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.

1. All public meetings at all levels of the Democratic Party in Arizona should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability (hereinafter collectively referred to as “status”). As part of this, the State Democratic Party should develop a strategy to provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (*Rule 4.B.5*)
